

Media literacy: image analysis

Directions: Use the graphic organizer to analyze an image from the article.

<u>Question</u>	<u>Response</u>
Describe the image (who, what, when, where?)	
Who created the image? What can you learn about them?	
Do you see evidence of bias, omission, or stereotypes in the image? Explain.	
How does the image add to your understanding of the article?	
What could an alternative image for the article look like? What would be the effect of changing the image?
