

Fiction: elements of setting

Directions: Use your notes and/or annotations from the article to complete the questions in the table below.

Elements of setting	Textual evidence and/or details
Place: Where does this story take place?	
Time: When does this story take place?	
Social/political/cultural/environment: What is the social climate? Are there any political or cultural happenings?	
How do the setting elements help develop your understanding of the historical event?
